

DELI-JW Glassware Company All Set to Establish Manufacturing Unit for Premier Glass, Float Glass and Other Glass Products in Punjab

Aug 13th, 2019

The sponsors of DELI-JW Glassware Company Limited held a detailed facilitation session with SEZ Cell of Punjab Board of Investment and Trade to have detailed discussion on their planned investment of USD200Mn and announced an investment of USD 36 Mn in the first phase for establishing a manufacturing facility of premium glassware, float glass and other glass products in Punjab. The representatives from DELI-JW Glassware Company thanked the management of PBIT for their strong follow-up, support and facilitation for this new investment in Punjab. The management of PBIT assured DELI-JW of their complete support for smooth establishment of their production facility. This investment announcement shall help encouraging the global businesses for exploring Punjab for investments in glass manufacturing.
