

Press Release

Jiangxu Xinglong Environment is willing to work in the Urban Infrastructure Projects in Punjab

May 31st, 2019

The management of Jaingxu Xinglong Environment, after a series of engagements and orientation meetings, visited office of Punjab Board of Investment and Trade today to hold discussions with the management of PBIT. On this occasion an MOU was signed between PBIT and Jiangsu Xinglong Environment Co. Ltd. where PBIT shall, within its operational scope as the IPA, facilitate the company in its commercial/investment activities in Punjab. The company has a potential to invest in projects of urban water management system and low cost housing segments and has plans to invest more than 500 mn USD in the target sectors of human development, subject to completion of other formalities. Member for Provincial Assembly Punjab, Ms. Sabrina Javed was also present on the occasion to witness the ceremony.
